

DJ and Music Technology Enrichment Programme

Three-Term School Partnership | 2026/27

oliver@djclub.org.uk | djclub.org.uk

WHO WE ARE

DJ Club CIC delivers hands-on DJ and music technology workshops for young people aged 3 to 21 across Essex and London. We work with small groups of up to 12 learners, using professional equipment to engage students who may not respond to traditional classroom approaches. All staff are DBS-checked with full safeguarding policies in place.

THREE-TERM PROGRAMME

TERM 1	TERM 2	TERM 3
Foundations of DJing - DJ equipment and controls - Beatmatching and blending - Building and performing a set - Collaborative back-to-back mix ✓ Foundations Certificate	Sampling and Production - Digital audio workstation (DAW) - Sampling and loop creation - Beat building and arrangement - Group track collaboration ✓ Producer Certificate	Sound Engineering and Showcase - PA setup and signal flow - Monitoring and gain staging - Microphone skills and MCing - Live showcase with crew roles ✓ Graduate Certificate
