dj club

DJ and music technology

Enrichment programme | School partnership 2026/27

WHO WE ARE

DJ Club CIC delivers hands-on DJ and music technology sessions for young people aged 3 to 21 across Essex and East London. Sessions run in groups of up to 12 on professional equipment, and are designed to engage students who may not respond to traditional classroom approaches. All staff hold enhanced DBS certificates and we operate a full safeguarding policy.

START WITH A HALF-DAY VISIT

£600

£25 per student

Two sessions of 60 minutes, each with up to 12 students, so 24 students take part. If you go ahead with a block, the visit counts as the first one, so you pay the balance rather than starting again. A full day with 3 groups is £900.

THREE-TERM PROGRAMME

TERM 1

Foundations of DJing

- Equipment and controls
- Beatmatching and blending
- Building and performing a set
- Collaborative back-to-back

Foundations Certificate

TERM 2

Sampling and production

- Digital audio workstation
- Sampling and loop creation
- Beat building and arrangement
- Group track collaboration

Producer Certificate

TERM 3

Sound engineering and performance

- PA setup and signal flow
- Monitoring and gain staging
- Microphone skills and MCing
- Live showcase and crew roles

Graduate Certificate

INVESTMENT

TERM	PER VISIT	PER STUDENT	6 VISITS
Term 1, DJing	£600	£25.00	£3,600
Term 2, production	£660	£27.50	£3,960
Term 3, sound engineering	£660	£27.50	£3,960

Each visit covers up to 24 students, and the per-student price is per session. A block of 10 visits in Term 1 is £6,000. Every visit covers 2 groups, which is why it costs less per student than a single session would. If you only have one group, tell us and we will look at pairing you with a nearby school.

All prices include equipment, certificates, termly progress reports and the Term 3 showcase. The programme can be funded from Pupil Premium, SEND and enrichment budgets.

AT A GLANCE
